Re: Public Records Act Request

Dear Mr. Dan Rubins:

This letter responds to your Public Records Act Request, originally submitted July 4, 2019 and re-submitted on July 15, 2019, and addressed to "Del Norte County District Attorney, PRA Office."

In the request you asked for all:

"Brady lists," "Giglio lists," "potential impeachment disclosure lists," or similar compiled records or lists of records of the type set forth in California Penal Code §832.7(b)(1)(c).

It has been determined that, to our knowledge, the Del Norte County District Attorney's Office does not have any documents to produce under this request. Due to the small size of Del Norte County, it is the policy of the Del Norte County District Attorney's Office to handle officer impeachment issues on a case-by-case basis, as they arise. As such, the Del Norte County District Attorney's Office does not have any "Brady lists," "Giglio lists," "potential impeachment disclosure lists," or similar compiled records or lists of records of the type set forth in California Penal Code §832.7(b)(1)(c)' to provide.

Please feel free to contact me if you have any further questions, comments, or concerns.

Sincerely,

Jacqueline Roberts
Deputy County Counsel
